

REMARKS

In response to the Restriction Requirement dated August 17, 2005, applicant has elected Group II, claims 6-10 and 16-20, for examination at this time. Applicant has canceled claims 1-5 and 11-15 without prejudice to the filing of any divisional, continuation, or continuation-in-part application. Applicant has added new claims 21-28, which are computer-readable signal bearing medium claims that correspond to the elected claims. No new matter has been added by way of this amendment.

Consideration of the elected claims and the corresponding new claims is now requested.

Respectfully submitted,
